# KANSAS PROMISE SCHOLARSHIP

*more info other side —---->*

## KANSAS PROMISE SCHOLARSHIP

The Kansas Promise Scholarship provides eligible students the ability to complete degrees and certificates in specific career and technical education areas at no cost (excluding room and board). Kansas Promise is a “last dollar” scholarship in that the student must apply for federal financial aid and other local scholarships first, but if these sources do not cover the cost of attendance, then the state of Kansas will pay the remaining amount. NCCC offers many authorized Kansas Promise Scholarship programs – these are noted with a # on the Associate Degrees & Certifications pages. There are some requirements for students, so please use the QR code for more information.
