

**NEOSHO COUNTY COMMUNITY COLLEGE
BOARD OF TRUSTEES**

AGENDA

**November 9, 2023 – 12:00 P.M.
Student Union – Room 209**

- I. Call to Order**
- II. Roll Call**
- III. Public Comment**
 - A.
- IV. Approval of the Agenda**
- V. Consent Agenda**
 - A. Minutes from October 17, 2023
 - B. Claims for Disbursement for October 2023
 - C. Course Inventory Revisions/Additions
 - D. Personnel
- VI. Reports**
 - A. Faculty Senate – Alan Murray
 - B. Treasurer – Sandi Solander
 - C. President – Dr. Brian Inbody
 - 1. Monthly Report
 - 2. Strategic Plan Report
- VII. Old Business**
- VIII. New Business**
 - A. First Reading – Transportation
 - B. First Reading – Non-Discrimination
 - C. Spring Retreat Dates
 - D. Executive Session: Consultation with Attorney
- IX. Adjournment**

**NEOSHO COUNTY COMMUNITY COLLEGE
BOARD OF TRUSTEES**

MINUTES

**November 9, 2023 – 12:00 P.M.
Student Union – Room 209**

I. Call to Order

Dennis Peters called the meeting to order at approximately 12:00 p.m. in room 209 of the Student Union.

II. Roll Call

The following members were present: Charles Boaz, Lori Kiblinger, Martha McCoy, David Peter, Dennis Peters and Bryan Schulz

Absent: None

Also in attendance: David Bideau, Kenna Bideau-Kepley, Phillip Chaney, Kerrie Coomes, Stephen Dowell, Alan Murray, Yvonne Hull, Dr. Brian Inbody, Karin Jacobson, Tony Jacobson, Dr. Brenda Krumm, Maggie Miller, Riann Mullis, Amy Ranabargar, Kerry Ranabargar, Dr. Sarah Robb, Hunttyr Schwegman and Sandi Solander

III. Public Comment

The Board congratulated the Men's and Women's Soccer Team for their excellent season.

IV. Approval of the Agenda

On motion by David Peter and second by Lori Kiblinger. Motion passed unanimously.

V. Consent Agenda

On motion by Martha McCoy and second by Bryan Schulz, the following items were approved by consent:

A. Minutes from October 17, 2023

B. Claims for disbursement for October 2023

C. Course Inventory Revisions/Additions

Before each semester begins, the Kansas Board of Regents asks coordinated institutions to submit a list of courses that the college is capable of teaching in that semester, but is not compelled to offer. This list of courses is referred to as the course inventory. Each change to the inventory must be approved by the academic department where it originated, the curriculum committee, the Chief Academic Officer, the President of the College and finally, the College Board of Trustees, as per NCCC policy.

Program Credit Hours Change

- Biology A.S., 65 total program credit hours; to Biology A.S., 61 total program credit hours.
- Mathematics A.S., 64 total program credit hours; to Biology A.S., 60 total program credit hours

Program Credit Hours and Degree Change

- Psychology A.S., 66 total program credit hours; to Psychology A.A., 60 total program credit hours

D. Personnel

1. Resignation of Part-Time Bus Driver

It was the President's recommendation that the Board approve the resignation of Timothy Lopez as the Part-Time Bus Driver. His last day was November 7, 2023.

2. Director of Ottawa

It was the President's recommendation that the Board approve the employment of Clinton Renfrow as Director of Ottawa. Mr. Renfrow has an MSE in Education from Fort Hays State University.

His previous employment includes Social Science Teacher at LaCrosse Middle/High School, Student Worker at Fort Hays University and Training NCO at Kentucky Army National Guard. Mr. Renfrow will be paid an annual salary of \$54,000. His start date will be January 1, 2024.

3. STARS Math Specialist

It was the President's recommendation that the Board approve the employment of Seth Wells as STARS Math Specialist. Mr. Wells has a BA in Mathematics from University of Colorado.

His previous employment includes Senior Personal Banker at Firstbank, High School Math Teacher at Douglas County School District and High School Math Teacher at School District 38. Mr. Wells will be paid an annual salary of \$36,500. His start date will be November 27, 2023.

4. Custodian Chanute

It was the President's recommendation that the Board approve the employment of Tom Aikins as Custodian at Chanute. Mr. Aikins has an AS in Education from Neosho County Community College.

His previous employment includes Sales at Shields Motors, Sales at Ranz Motors and Sales at Henry Kraft.

Mr. Aikins will be paid an hourly wage of \$15.00. His start date will be November 13, 2023.

5. Custodian Chanute

It was the President's recommendation that the Board approve the employment of Dennis Kellerman as Custodian at Chanute.

His previous employment includes Produce Manager at G&W Foods Iola, Store Manager at G&W Foods Chanute and Store Manager at Rons IGA.

Mr. Kellerman will be paid an hourly wage of \$15.00. His start date will be November 27, 2023.

VI. REPORTS

- A. Faculty Senate – Alan Murray gave Faculty Senate report, see attached
- B. Treasurer – Sandi Solander gave treasurer's report. Revenue for the month of October \$3,347,284.17 was and disbursements were -\$2,222,968.02. See attachments.
- C. President – Dr. Brian Inbody gave a president's report and the update on the Strategic Plan.
 - 1. Monthly Report
 - 2. Strategic Plan Report

VII. OLD BUSINESS

VIII. NEW BUSINESS

A. First Reading - Transportation

Transportation

When traveling on behalf of the college, authorized employees may use a college-owned vehicle, if one is available, or may use their personal vehicles and will be reimbursed for mileage. At the time of the request a determination will be made if a college vehicle is available. If a college vehicle is available and the employee elects to take their own vehicle, the employee will be reimbursed at the college car rate set annually each July 1. If an employee requests to take a college vehicle and one is not available, the employee will be reimbursed the IRS standard mileage reimbursement rate. Effective each July 1, the college utilizes the IRS standard mileage reimbursement rate in effect on the preceding March 1. This revision shall take effect July 1, 2015.

Anyone driving on behalf of the college a college vehicle must have a valid, current, unexpired copy of his/her driver's license on file in the vehicle office.

Students will not be allowed to drive college vehicles with the following exceptions: prior written approval is given by the president or his/her designee, or an emergency exists.

Other exceptions may be authorized by the president on a case by case basis.

Amended 5/17/99 effective 7/1/99, amended 3/9/06 effective 7/1/06, amended 3/12/15

B. First Reading Non-Discrimination

Notice of Non-Discrimination

Neosho County Community College affords equal opportunity to and does not discriminate against students, employees, and applicants regardless of race, color, religion, sex (including pregnancy), sexual orientation, gender identity, ethnicity, national origin, ancestry, age, disability, marital status, genetic information, status as a veteran, political affiliation, or other factors that cannot be lawfully considered in its programs and activities, including admissions and employment, to the extent and as required by all applicable laws and regulations including but not limited to Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, The Americans With Disabilities Act of 1990, The Americans With Disabilities Act Amendments Act of 2008, The Age Discrimination In Employment Act of 1967, Title II of the Genetic Information Act of 2008, Kansas Acts Against Discrimination, Section 188 of the Workforce Investment Act, and any amendments to such laws and regulations.

The following offices have been designated to handle inquiries regarding the Non-Discrimination and to coordinate implementation of this policy. They may be contacted to initiate an investigation under the policy or to answer questions regarding this policy.

C. Spring Retreat Dates

The Board discussed a date, time and place for the Spring Board Retreat and ACCT Training. A potential date was set for ACCT Training March 21, 2024 starting at 8:30 a.m. in room 209 of the Student Union, Dennis Peters will confirm with ACCT. Spring Board Retreat date was set for April 25, 2024 from 9:00 a.m. – 1:00 p.m. in room 209 of the Student Union.

D. Executive Session: Consultation with Attorney

On motion by Dave Peters and second by Charles Boaz, the Board recess into executive session to consult with our attorney to receive advice concerning potential litigation pursuant to the open meetings exception for matters protected by attorney-client privilege and that our President, Vice-President for Student Learning, Vice President for Operations, Athletic Director, Chief Financial Officer and college attorneys be included. The Board entered into executive session at 12:55 p.m. On motion by Dave Peters and second by Martha McCoy the Board extended the time to 15 minutes more. On motion by Dave Peters and second by Martha McCoy the Board extended the time to 5 minutes more. On a motion by Dave Peters and second by Martha McCoy the board extended the time to 5 minute more and returned to open meeting at 1:50 p.m. No action was taken.

IX. Adjournment

On motion by David Peter and second by Martha McCoy, the meeting was adjourned at approximately 1:57 p.m.

Respectfully Submitted,

Dennis Peters, Board Chair

Amy Ranabargar, Board Clerk

PRESIDENTS REPORT

NOVEMBER 9, 2023

DR. BRIAN INBODY

Trustees,

I hope you had a good month. This month I will just hit a few highlights and spend the rest of my time reviewing the Strategic Plan update as we do every November. So here are a few pieces of news.

ENROLLMENT

Enrollment continues to look very good for the fall semester. The college continues to be up about 9% over this date last year. We are starting the enrollment for the spring and winter interterm as well. Those numbers are VERY preliminary, but look promising at this early date as well. Winter interterm (the four-week term between fall and spring semesters) is up 10.95%, while the spring semester, that does not start for another 10 weeks, is up 9.83%.

For the year the college is up 9.57% over this date in 2022. It’s been a wonderful year thus far.

FALL SEMESTER 2023

| CAMPUS | YEAR CODE | TERM CODE | RUN DATE | STUDENT TOTAL | CREDIT HOUR TOTAL | % INCREASE OR DECREASE |
|---------|-----------|-----------|----------|---------------|-------------------|------------------------|
| TOTAL | 2022 | 30 | 11-8-22 | 1643 | 14597 | |
| TOTAL | 2023 | 30 | 11-8-23 | 1814 | 15988 | 9.52% |
| | | | | | | |
| CHANUTE | 2022 | 30 | 11-8-22 | 524 | 4737 | |
| CHANUTE | 2023 | 30 | 11-8-23 | 559 | 5194 | 9.69% |
| | | | | | | |
| OTTAWA | 2022 | 30 | 11-8-22 | 314 | 1957 | |
| OTTAWA | 2023 | 30 | 11-8-23 | 329 | 2106 | 7.61% |
| | | | | | | |
| ONL | 2022 | 30 | 11-8-22 | 660 | 3596 | |

| IDO | 2023 | 30 | 11-8-23 | 275 | 1468 | 19.64% |

PROJECT UPDATES

There are still a number of projects that are still in progress. Here is a quick update.

MCTC

A-Lert Roofing has completed the work on the indoor practice facility roof. Concrete crew will return towards the end of the month to begin pouring the remainder of the lot. The automotive lab demo will begin towards the end of the month. We currently have an RFP out on the larger automotive equipment required for the space. Bids are due back on November 30th on that.

SOFTBALL

Electrical contractor to be on site next week to finalize the installation of the heaters.

BASEBALL

Per new NJCAA rules we are required to install and use a pitch clock this year as well as add fencing to protect the players while in the dugout. The clock has arrived and contractor will be on site next week to finalize the wiring required for installation as well as working on a solution to protect the clock from foul ball damage. Mid-America Sports Construction will be here this week to pull the turf back in preparation for the rail installation. We anticipate that the construction will take three to four weeks total due to contractor availability. The turf must be pulled back in order to properly set and install the railing. In addition they are ready to form the new pad behind the home side bullpen. Contractor is scheduled to be here the week of November 13th to form and pour the pad.

GREENHOUSE

The door frame is scheduled to be installed Friday. The door install is set for next week with the door opener install to be set as soon as the door is installed. We have spoken to a contractor that can pour the footings for the remaining flower bed. We hope to have that done the week of November 13th. Fire extinguishers have been installed and the grate for the drain is ready to be installed. Electrical contractor to be on site next week to finalize the installation of the exit sign.

BATHROOMS

We are just waiting on the contractor to install. Currently looking at the week of Thanksgiving for that install.

NEOKAN LEAKS

Mid Continental Restoration has completed their work tuck-pointing and water proofing the building.

ORIZON

The Chanute City Commission is set to have a hearing on the 16th. That hearing will be to address the question of whether or not to reestablish the abatement for the Orizon factory that was discontinued when the company sold the buildings to an entity then leased the buildings back from them, thereby apparently violating part of the abatement agreement. The factory was added into the estimated assessed value of the county and NCCC and the other taxing entities used that figure to complete the mill levy process which you voted on in September.

Pending the outcome of that hearing, if the factory is now removed from the assessed value after we have completed the process, the RNR law keeps the mill from automatically adjusting. So the entities will take a loss from what they were expecting when they passed their mill levies. In NCCC's case, the college stands to lose about \$160,000 in tax revenue that we were counting on. Luckily, that loss will be split between this fiscal year and the next. We are taking steps now to adjust so as not to damage current budgets.

This is not confirmed yet. The hearing has not yet taken place. NCCC has always been neutral on the issues of abatement. It is important that the entities act together so that those who offer abatements in exchange for bringing jobs to the area have the ability to speak for the county as a whole when making such offers.

IMPORTANT DATES

| | |

| Final Exams | Dec. 5-17 |

BOARD REPORT FACULTY SENATE

NOVEMBER 9, 2023 Alan Murray, Faculty Senate President

From Mindy Herron:

History Club traveled to Wooloroc on the 19th with the International Club.

Education – Working with KSDE on a new Apprenticeship State program.

KC Quiz Bowl –Neosho hosted eastern sectionals last Saturday on the Chanute Campus.

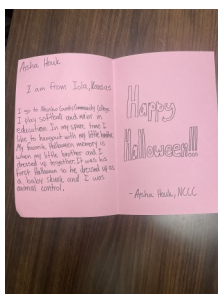

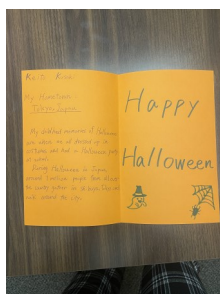

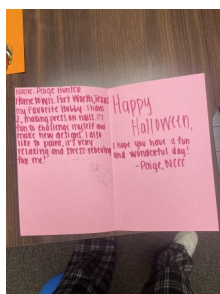

Adulting – Luncheon event – **“Tacos, Budgets, and Cursive”** – yes that is correct, we are learning how to write in cursive . We are also launching our community service project this month. We will be taking donations of BUTTON down shirts to make dignity bibs for local nursing homes.

From Dana Northum, Sociology:

Students are learning about age inequality in America and how Americans view death overall. Today we watched a documentary about hospice care, however while they watched I had them make greeting cards for the local nursing homes in Chanute.

Later in the month students played a fun sociology themed board game, which I created, in order to study for their upcoming exam. Brandy came to provide emotional support, with the college's permission, of course.

From Alan Murray and Rita Drybread, PTK:

October is our membership drive month, getting students to recognize the benefits of being a member of Phi Theta Kappa. We've held a few meetings, our induction ceremony will take place at 4:30pm Nov. 9 in the Stoltz Lecture Hall. It's a chance for students to invite parents/friends to a short ceremony celebrating their academic achievements.

From Alan Murray, Music:

A true multicultural event, students from choir and band traveled to KC to hear and see the Internationally Acclaimed a capella group, VOCES8. The London, England based group is one of the finest ensembles in the world, the students were blown away with the ensembles precision and musicianship. We ate prior to the performance at Grünauer, the first experience for many of them with food from Austria/Germany.

Sunday will be our big concert for the fall semester, "A Salute to Our Veterans". The band and choir have been preparing, they'll perform a couple of selections at the Veteran's Luncheon on Friday, then the concert is at 4pm on Sunday. This fall, with financial help from Student Senate, we are bringing in an amazing soprano and pianist, Sarah Tannehill Anderson, to join the group and do a portion of the concert on her own. It is free!

Friends of Chamber Music · Follow

Voces8 will be performing to a SOLD OUT crowd this Saturday. We are looking forward to a BRILLIANT performance. Thank you to all of our Friends of chamber music and we'll see you this weekend!

SOLD OUT!

Saturday, October 21 • 7:30 PM

VOCES8

Chanute Area Community Chorus & Music Club,
NCCC Vocal Ensemble and NCCC Band
present

A Salute to Our Veterans

Sunday, November 12, 2023
4:00 pm

Sanders Auditorium, NCCC Campus -- Free Admission

Featuring
Grammy Award winning soprano,
Sarah Tannehill Anderson

Selections include:
"America the Beautiful"
"Down to the River"
"Angel Band"
"Amazing Grace"

Theatre Department—Paula Makar

The Panther Players had a very successful presentation of the play *Silent Sky*, by Lauren Gunderson. The play was commissioned and first produced by South Coast Repertory with support from the Elizabeth George Foundation, with original Music by Jenny Giering. This beautiful play was performed on Friday, October 27th and 28th at 7pm in the Sanders Auditorium at NCCC.

The ensemble included NCCC students Sierra Stanley as Henrietta Leavitt, International Student from South Africa Jevaan Govender as Peter, MaKinzie Cummings as Henrietta's sister Margaret, and Russian Foreign Exchange Student Daria Balaur as Williamina Fleming, and Chanute High School student Josie McMahon as Annie Cannon.

Jacquolin Rae Love, a NCCC student in the Art Program, created the Scenic Projections. Brenden Spillman, a community member who has worked at various venues around Neosho County, and with Neewollah, in Independence, served as Stage Manager. Technical Direction was by Taryn Northcutt, Master Electrician and member of IATSE Local 190 in Wichita, KS. The Costume Coordinator was Adia Tolbert, a Wichita State Senior who worked on *Silent Sky* as an Elective project. Rae Oquendo, another Wichita State Alum who is employed in the Wig Department at MTW, constructed the period wigs.

According to Playwright Laura Gunderson's website, *Silent Sky* is a "soaring, music-rich, female-led Science Drama." The play tells the true story of 19th-century astronomer Henrietta Leavitt, who, with a team of female "computers" led by Annie Jump Cannon and Williamina Fleming, explore a woman's place in society during a time of immense scientific discoveries."

My Theatre Appreciation Students greatly appreciated the play, and wrote glowing reviews. We also had a featured spread in the Chanute Tribune Monday morning.

Since the school is now a member of KCACTF (Kennedy Center American College Theatre Festival), we had a KCACTF Respondent from Cowley College, Nick Albrecht, give us feedback on our performance. I'm happy to report the feedback was very positive, and we have 2 Irene Ryan Scholarship Nominees as a result: Sierra Stanley and Daria Balaur. They will go on to compete in the upcoming Festival Conference Region 5 in Des Moines, IA, in January. We had a cast party after the show Saturday to celebrate our accomplishment!

WITH MAKINZIE CUMMINGS

NCCC Strategic Plan 2023-2024

STUDENT LEARNING

SL-1 Adapt to state and federal initiatives in regards to opportunities related to reduced cost higher education.

The Promise Act has been successful and is now in year 3 of disbursements. Staff continues to work with KBOR and others to clear barriers and open access to Promise Act funds for all students. Currently, NCCC is on track to again lead the state in giving out some of the highest Promise Act allocations of any community college. Financial Aid staff report each month to the Process Users Group on campus in order to ensure good communication throughout all relevant offices.

In the coming legislative session, we expect a bill to provide no cost concurrent “general education” courses to high school students. This fall there has been a working group and committee hearings at the legislature to prepare for this proposition. NCCC is primed and ready for this situation. We already offer extremely low cost courses through the variety of special offerings for this target audience. DSR/DBI

SL-2 Implement initiatives from the Strategic Technology Plan (STP) that support the Educational Master Plan (EMP) as funding allows, including updating of classroom technology.

Due to the Master Plan rotation schedule, the Educational Master Plan (EMP) will be revised this year. A concerted effort will be made to better integrate the EMP with the Strategic Technology Plan to maximize the educational benefits of our technology for students.

SL-3 Implement and sustain new academic programs as applicable and investigate future programs and methods to fund them including possible expansion of existing programs. This may include a possible performing arts program. This is especially related to the success of MCTC and the programs offered there through special marketing opportunities and partnerships with additional school districts.

This year the college launched three additional programs and/or locations for programs in career and technical education (CTE). Two of those programs,

Electrical Technology and HVAC launched near or at full capacity. The third program, Plumbing, did launch, but we are still looking to build that program over time including finding a permanent instructor. Work began on a fourth new program at MCTC, Automotive Technology. This program was approved by the Kansas Board of Regents in April of 2023, the contract for renovation of the laboratory space was approved by the Board of Trustees in October 2023, and the college received a pledge of \$275,000 to help pay for the creation of the lab. Two grants were written to help offset the costs of the automotive lab, one was unsuccessful and the second competition will not be complete until November 20, 2023.

Outreach and Workforce Development offered a summer CTE camp for grade school through high school aged students. These students were able to experience various CTE programs in a fun, interactive, and informative summer camp. Outreach is also planning the NC3 Signing day for the 2023-2024 year.

*Potential new programming in Performing Arts has been postponed for now.
DSR/DBI*

SL-4 Continue to monitor changes established for the nursing program and consider additional improvements that positively impact specialized accreditation, enrollment, retention, and pass rates.

Still in progress. The Nursing program is currently fully accredited with ACEN and KSBN. KSBN has approved NCLEX Pass rates at 84.48% for the 2022-2023 year. Retention is currently at 57%. We are still working to increase enrollment by attending career fairs and advertisement. KS

The changes and effort generated by the Nursing administration and faculty have resulted in significant progress related to accreditation and pass rates. The RN pass rates have returned to above state average for the last three years, showcasing the improvement in student learning. The Nursing program continues its accreditation success through KSBN and ACEN after the turnaround in those pass rates.

Currently, there are still concerns related to the enrollment numbers in the program, especially in the Chanute cohorts and in retention of both our students

and our faculty members. Continued effort will be required to get those issues in check. DSR

SL-5 Institutionalize the usage of a greenhouse on the Chanute campus.

The completion of the greenhouse has been a struggle that continues into this academic year. Progress has been slow, however we continue to work toward completion of the project. The President now gets regular reports regarding task completion and has reiterated to Maintenance that the greenhouse is a priority project. Institutionalizing the greenhouse will be delayed until it's functionally complete. DSR/DBI

SL-6 Continue updating educational spaces as funding allows. This could include Stoltz Lecture Hall and auditorium.

Carpet was added to the educational spaces in Rowland hall as well as upgraded testing dividers in the nursing computer lab in Rowland. All of the new classrooms and labs at MCTC for the three new programs were set up using the newest classroom technology paid for by the Title III grant. The CAVE space was updated as part of the campus revitalization plan that included new lighting and ceiling grid and tiles.

Design work is underway on the possibility to improve/update the auditorium pending new resources. This would be planned for the 2024-2025 year and beyond contingent on additional funds through grants, donations, and deferred maintenance state support. DBI/DSR

SL-7 Take all required steps to address possible statewide changes to general education requirements and length of degrees.

The Applied Science and Liberal Arts Divisions have approved the change to the AA, AS, and AGS degree length lowering from 64 credit hours to 60. This was subsequently approved through the curriculum committee and the Board of Trustees to begin in the fall of 2024.

The general education standard that was provided by KBOR has also been integrated into the college catalog and the specific degree pathways will be updated by December 2023.

In both cases the college catalog has been updated to reflect these changes and further changes will be implemented for the 2024-2025 catalog (removal of the sunset period for the 64 credit hour degrees).

Additional work is in progress related to the specific transcript notation. This has been a challenge as we integrate these changes into a student information system that wasn't designed to receive them. More work will be required throughout this academic year to prepare the queries and systems to identify when a student meets the general education standard. DBI/DSR

STUDENT SUCCESS

SS-1 Strengthen the Diversity & Inclusion committee through further implementation of a NCCC-specific version of the Diversity, Equity, and Inclusion Checklist developed by ACCT.

The President has taken over as the chair of this committee and is undertaking changes to the checklist developed by the ACCT. The committee has voted to change their name to the Opportunity, Access, and Civil Rights Committee to better reflect the action of the committee. One change that has already occurred is the cultural activities email that is sent out on a regular basis that highlight cultural events planned in the coming weeks to encourage better awareness and attendance at these events. The goal of the committee is to provide the updated checklist and the work in progress to complete the checklist by the end of the academic year. It is anticipated that the entire amended checklist will not be complete until next academic year, however much progress will have been made this year. DBI/DSR

SS-2 Continue to support KBOR's strategic agenda.

KBOR has now merged its strategic agenda with its performance agreement system thereby bringing assessment and consequence to institutions who do not advance their agenda items. The 2023-2024 Performance Agreements include processes related to updating developmental education, implementing math pathways, establishing degree pathways with the new general education standard, and ensuring all cut scores for placement are standardized. See AS-2B for more information on Performance Agreements. The college is in full

compliance with these agreements, therefore it is advancing the KBOR strategic agenda. DBI/DSR

SS-3 Investigate additional teams, such as e-sports or women's wrestling, with possible launch fall 2024.

Investigation continues into creation of additional teams, however, due to the lack of residence hall space additional teams are not yet warranted. This item is delayed until a plan is accepted to move forward on additional residence hall space. DBI

SS-4 Analyze student club resources and compensation for sponsors.

A study of compensation for sponsors across the state was completed to compare NCCC compensation with fellow community colleges. As a result, it was identified that club sponsorship stipends at NCCC are among the highest in the state.

Travel costs, however, have continued to escalate possibly limiting the activities that clubs can afford with their resources. Club budgets have not been adjusted since the creation of the club system 15+ years ago. Work is underway to potentially supplement those funds, especially for travel. However, this may impact the incidental fee moving forward. The Board may see a proposal to increase this fee in February. DBI/DSR

SS-5 Evaluate opportunities to facilitate international student payments and refunds.

NCCC implemented a safe, fast and convenient way for International students to pay their account balances and/or receive a refund from NCCC. A link is provided on myNeosho to a service called PayMyTuition where International students can elect to pay from their credit cards or bank accounts from their home countries. While this is a complimentary service to NCCC, International students are charged a small fee for utilizing this service if a bank wire is necessary and to exchange the conversion rate to US currency. KC

SS-6 Improve student scholarships including possible "degree completion" scholarships and scholarships for earning "cords."

The scholarship committee is not currently considering this plan, but rather increasing the number of credit hours covered by academic, activity-based, and

service scholarships. Currently these flat rate scholarships cover only 11 credit hours per semester. A working group has been established to investigate the possibility of increasing this to 15 credit hours per semester, including the associated cost and impact to the incidental fee. DBI/DSR

ACCOUNTABILITY TO STAKEHOLDERS

AS-1 Respond to challenges due to the COVID-19 pandemic, specifically continued lower enrollment and ending of federal assistance programs.

A generous donation of \$275,000 from the Mitchell's, a \$20,000 gift from the NCCC Foundation and possible other grant opportunities are being utilized to build the laboratory for the automotive program at the Mitchell Career and Technology Center. This new program is intended to be launched in Fall 2024.

Lower enrollment for the college, partially due to COVID-19, seems to be waning. Fall 2023 enrollment seems to be holding up about 9.7%. A comparison of Fall 2022 enrollment to Fall 2023 enrollment was completed in order to identify where a enrollment increase is coming from. 27 courses are being offered in Fall 2023 that were not offered in the previous fall. Increased Laharpe offerings and MCTC offerings also contribute to the increase. (SS)

The college has completed its HEERF scholarship disbursements, spending 100% of the federal assistance dollars in summer of 2023. CARES Act funds have likewise been exhausted and spent at 100%, taking full advantage of these federal programs. Assistance from the state, as well as increased valuation, and increased enrollment has helped the college compensate for the loss of the federal assistance programs. The college will be removing AS-1 from future strategic plans as the federal government has now ended the emergency declaration for the pandemic. However, students and employees continue to report infections of COVID-19 and it is anticipated that the effect of COVID-19 will be monitored and dealt with for years to come. DBI/DSR

AS-2 Optimize college preparation of anticipated revenue streams, emphasizing appropriate contingency plans and reallocation of resources to sustain the college's mission, vision, and purposes through:

AS-2A Providing adequate mill levy support, including responding to changes in county valuation and state law regarding revenue neutral rate,

NCCC trustees voted to exceed the Revenue Neutral Rate (RNR) of 35.194 mills by approving a maximum rate of 39.527 mills. This will generate approximately \$661,767 for this year and next. (SS)

There is the potential of a retroactive abatement being offered to a local business that will impact the college approximately \$80,000 this fiscal year and an additional \$80,000 in the 2024-2025 fiscal year and thereafter for a total of \$160,000 per year for up to 9 years. The college will continue to monitor this situation and keep the Board updated. DBI

AS-2B. successfully completing performance agreements, including any changes made by KBOR regarding initiatives surrounding developmental education and general education requirements,

The AY 2022 (completed in 2023) Performance Report was accepted by KBOR with 100% funding. This was the last of the previous performance agreement system to go through the regular approval process. KBOR has now instituted a new system tied directly to their strategic goals. NCCC has already begun taking steps to meet those goals according to KBOR standards. The new agreements are project-based, as opposed to performance-based, meaning colleges must complete a variety of specific tasks over time, rather than setting and attempting to meet goals related to student success. NCCC will continue to be engaged with the performance agreement changes as they move forward. DBI/DSR

AS-2C. Stabilizing and increasing enrollment revenue through growth, with special attention to adding residence hall capacity and the Excel in CTE program, and

Enrollment is up 9% for summer and for fall and based on 20th headcount numbers, NCCC is the fastest growing community college in the state. While early, the current numbers for winter session and spring show us up 41% for winter and 23% up for spring, putting us up 12% total for 2023-2024 over 2022-2023. We did not residence hall capacity, though we are looking at various proposals to do that

in the future. The growth is partially due to the Excel in CTE program and new offerings, however, the growth is across the board including at the Ottawa campus and Online. Clearly an enrollment increase of this pace will not continue into the future, however we plan to add a new program in 2024 (Automotive) that may impact enrollment in a positive way. DBI/DSR

AS-2D. Advocate for changes within the state funding formula to equalize pay structures for similar classes at the maximum rate, and rolling averages to less effects of steep declines in enrollment.

2022 legislation funded \$309,134 in workforce development funding, \$250,000 one-time cyber security funding, and \$602,077 capital outlay funding. State aid increased \$174,259 for FY 2023-2024. The Kansas Legislature also put \$1.7 Million in SB 155 or Excel in CTE. The college will receive an additional \$86,985 in FY 2023-2024. (SS)

NCCC was one of the first colleges to point out to the state that not all similar classes are tiered in the formula at the same rate. We continue to put pressure on both KBOR and on the KACC to advocate for change to equalize this difference that is costing the college thousands of dollars.

The KACC was able to successfully advocate for a 3-year rolling average as part of the funding formula. NCCC supported that effort. DBI

AS-3 Continue to enhance NCCC safety and security through implementation of procedures, training, and equipment to further protect students and employees personal identifiable information and the college's cyber infrastructure. This could include new updated website infrastructure.

The website update has been delayed to a future academic year. NCCC did receive \$250,000 in cybersecurity money that was put towards several services that protect the institution's network and student's information. In a recent audit of our computer security, NCCC rated one of the highest scores possible. We continue to do annual security training and network security assessments to ensure that both physical and virtual infrastructure is secure. - KR

Over the next year, NCCC will transition to a cloud-based email system which grants additional security along with user benefits and greater access. DBI/DSR

AS-4 Address deferred maintenance items which include the repair of the Rowland and Ross Lane roofs, storm water management at the Student Union, and improvement to the overall appearance of the interior of the college buildings.

Three of the four roofs at Ross Lane have been repaired to date. The final roof over the north office area is scheduled to be replaced this spring. The storm water management / plaza project is being prioritized currently and we will have more information on the schedule in the next few months.

Renovation projects were completed over the summer that included new ceiling grid, tile, carpeting, and lighting enhancement to the CAVE, Student Union, Stoltz Hall, and Sanders Hall buildings. The restrooms in Sanders hall also underwent renovation however the dividers have not been installed to date and are planned for November - KR

AS-5 Investigate areas needing additional human resources to further the mission of the college.

The college added positions CTE including a full-time HVAC, Plumbing, and Electrical position. We are currently working to fill the Plumbing position. We expanded a part-time financial aid specialist to full time. We also added a full time safety officer position. However there still remains a significant number of empty positions at the college.

Also, with the resignation of the Dean for the Ottawa and Online campuses, we took the opportunity to reorganize the leadership structure at the Ottawa campus and updated three positions. DBI/DSR

AS-6 Advance the Capital Improvement Plan (CIP) and Facilities Master Plan (FMP) as funded, including possible additional renovations and the planning for more residence hall capacity.

Several options are have been discussed for the addition of residence hall space on the Chanute campus. To date these options have been cost prohibitive but we continue to evaluate the feasibility of these projects for the future. The Ottawa

parking lot was resurfaced as part of capital improvement plan initiative this year. We also completed the renovation of the new Ottawa sonography lab -KR

AS-7 Augment the campus beautification by adding trees and outdoor features including, for example, completing the plaza project, add shade sails and additional outdoor seating and eating areas.

The storm water management / plaza project is being prioritized currently and we will have more information on the schedule in the next few months. Additional trees are being added to the 14th street side of the baseball field to enhance the appearance and provide additional screening. - KR

AS-8 Improve employee recruitment and retention through:

AS-8A. Addressing salaries to maintain competitiveness for all employees,

Hourly employees received \$.50 an hour increase. Salaried non-faculty employees received a 3% salary increase. If a fulltime twelve month employee salary was less than \$34,666 they received a raise of \$1,040. All permanent part-time and those under twelve months were prorated, with the exception of assistant coaches. (SS)

Fulltime assistant coaches received a pay increase of \$1,000. Minimum salary for full-time assistant coaches is \$22,000 per year. Part-time assistant coach raises were prorated accordingly. (SS)

Employees who have completed additional degrees during the academic year received salary increases commensurate with the level of degree obtained as per standard practice. (SS)

Each faculty member received a step (\$750) plus an additional \$850 to the base. This was an average 3% increase to full time faculty salary. (SS)

AS-8B. Addressing working conditions through further implementation of the workspace renovation plan as part of the CIP, and

No office areas have been scheduled this year as significant funding was used for revitalization of the public spaces this summer. This included Stoltz Hall, Sanders Hall, the CAVE, the Student Union, and Rowland Hall. - KR

AS-8C. Addressing, maintaining, and possibly improving various benefits.

The college absorbed a significant increase in premium cost for health insurance benefits without impacting employees. Additionally, the college absorbed the associated cost of increasing family plans so that those employees would not be negatively affected. Additional benefits were maintained.

The faculty, through negotiations, now have a possible 31.5 hour on campus work week with 3.5 hours that can be accomplished off campus in the evenings and weekends. Previous expectations were that all 35 hours must have occurred at their designated campus location. DBI/DSR

AS-9 Provide a more stable IT infrastructure to limit downtime, improve customer service, and expand capabilities.

Technology Services has recently replaced switch infrastructure in the Residence Halls and Rowland Hall. We continue to work our way through the buildings updating the outdated equipment as required. We have also commissioned a wireless survey that will be completed in November. The results of that survey will determine an upgrade path for the wireless infrastructure going forward. Funding has been made available to upgrade the wireless devices, particularly in the residence halls, and we plan to accomplish these updates over the Christmas holiday break. In addition the college has entered into a Software as a Service (SaaS) agreement with Jenzabar in order to streamline support and maintenance as well as reduce downtime on Jenzabar systems. Jenzabar guarantees %99.95 uptime for SaaS customers as well as priority support when required. - KR

AS-10 Investigate improving student travel safety through enhanced driver training, additional drivers, and alternative methods of transportation including additional charters.

Funds were provided to the Athletic Department to add additional charters for team trips. The college has struggled this year with getting additional vans when needed from rental companies that no longer provide them. Our success in fall sports has also exasperated the need for additional vehicles. The college will be paying for charters when the need arises through the vehicle fund. DBI/DSR

MEETING COMMUNITY NEEDS

CN-1 Investigate improved or additional performance space, including the possibility of an outdoor amphitheater (which could double for an outdoor classroom space) and updating the Chanute Sanders Auditorium.

Design work has begun for the possibility for improved auditorium with additional capabilities and the possibility of an outdoor amphitheater. This project is completely reliant on outside resources such as grants and donations. The college is actively seeking these funds. DBI/DSR

CN-2 Investigate the possibility of a new economic service area impact study including advocating for a statewide community college impact study.

Lightcast was hired by the KACC to complete the statewide economic impact study. NCCC opted to pay for an individual impact study as part of that effort. The final version of that study should be available December 2023. DBI/DSR

CN-3 Become intentional about telling the College's story through:

Enhanced social media strategies to include Facebook, Instagram, Twitter and the NCCC website. Distribute an Annual Review of the Institution. The Foundation will distribute a Fall and Spring newsletter highlighting campus projects, endowed scholarships, and various giving campaigns and opportunities. A Fall 2023 newsletter was mailed in October. YH

CN-3A Enacting new and creative marketing ideas, including direct marketing to parents,

Monthly "Recruiting Roundtable" meetings were initiated by the Outreach Department. These meetings were attended by staff from the Outreach department, Julia Reese, and Amy Morris. The goal of the meeting was to review all upcoming recruitment events and coordinate attendance to achieve maximum benefit. A monthly postcard was created and mailed to parents of high school students in the southern service area. It was during these meetings that the team decided to have a presence at all high school parent nights and as many sports events as possible. These events provided opportunities to showcase our CTE

programs and funding opportunities such as Excel in CTE and Promise Act. A number of open houses were also held at the MCTC to showcase the facility and programs.

CTE t-shirts were purchased for all MCTC students during the 22-23 academic year and this is continued for the 23-24 academic year.

Pop up displays of successful students who have graduated from NCCC CTE programs were designed. These displays go out on recruitment visits and are set up at MCTC and on the Ottawa campus when not in use at recruiting events.

A new event, titled the “Sophomore Experience,” was established and all high school sophomores were invited to tour the MCTC and have snacks and receive door prizes.

Chanute 4th grade students were invited to tour the MCTC. Students listened to each faculty member talk about their program and then show them something “cool” such as laser cutting a metal image of the NCCC panther.

Another new initiative was the National CTE Signing Day in which all high school seniors who planned to attend (or continue attending) NCCC’s MCTC after graduation were honored with a ceremony. Parents were invited to the event which featured a guest speaker, special awards, door prizes, and industry vendors.

Outreach staff attended events called “Parent Bootcamp” in area high schools to discuss options for high school students to take college classes as well as opportunities for students after graduation.

New yard display signs were made to put in all area high schools congratulating high school graduates. Special cords were given to high school seniors who earned 24 credit hours with NCCC. These cords were worn at their local high school graduation. A special notice was inserted into the high school graduation program to indicate the cords were in honor of the student’s achievement of obtaining 24+ credit hours from NCCC while in high school.

A large group of Outreach faculty and staff attended the largest Expo for Kansas students on the Hutchinson State Fairgrounds where over 5,000 students and their parents were able to see all of NCCC’s CTE offerings and experience hands-on demonstrations.

NCCC participated in the Health Occupations Student of America (HOSA) statewide conference. All of the Outreach Allied Health programs were represented and were able to interact with students from across Kansas who are interested in careers in health occupations. For the first time we purchased advertising on the HOSA website. This advertising comes with tracking data on student “hits” so we can follow up with them personally.

Minutes from the Recruiting Roundtable meetings are kept and filed in the N drive. (BK)

CN-3B. Redesign the college website in order to provide a more secure infrastructure while strengthening educational program pages, promotional videos, and other areas, and

While the effort to create a more secure infrastructure has been delayed to a future fiscal year, educational program pages have been advancing due to the new online catalog system implemented in 2023. Promotional videos are planned for the 2023-2024 year focusing on new areas and activities at the college. The new Director of Communication and Marketing intends on producing some of these videos in house. DBI/DSR

CN-3C. Increase positive mentions in the media.

Several press releases have been published to local papers in Ottawa and Chanute featuring the Automotive Lab and the enrollment increase. We also had interest generated from these releases to include a radio interview with statewide My Town Media. KOAM also did a business highlight video that aired in September during Artist Alley that received a lot of attention. Additional press releases are planned around the unveiling of the Economic Impact Study and other advancements. DBI/DSR

CN-4 Increase public awareness and access of college programming for all ages.

See notes in CN-3A, above.

The Outreach department continues to host the annual Spooky parade for toddlers and preschoolers to provide an early exposure to the campus for the very young and their parents.

The department also transitioned the annual Kids' College to a CTE Camp in which students ages 7 – 15 attend morning or afternoon sessions during the third week in June. This camp was held at the MCTC. Courses offered included constructing a wood bee house, constructing a robot lamp out of gas pipe using soldering, industry excursions, and welding art projects.

Senior citizens are involved on campus through our lifetime learning program and through the Retired Senior Volunteer Program (RSVP). New lifetime learning opportunities, such as a history series, were developed for senior citizens in Erie.

The annual Veteran's Day Luncheon sponsored by RSVP continues to be a big success and is held every November. Once a month RSVP volunteers prepare a meal for residents of the Recovery House sponsored by a Thrive Allen County grant.

Grant programs such as Educational Talent Search, Upward Bound, Heartland Works Youth Grant, and the Department of Commerce Youth grant allow students as far south as Oklahoma and north to Pottawatomie county to be served by NCCC personnel. The goal of all of these grant programs is to expose youth to educational opportunities and provide them with the tools to be successful in post-secondary education.

These events expose NCCC offering and opportunities to a wide variety of constituents. (BK)

Outreach and Workforce Development hosted a CTE Camp for grade school and high school students that was not only popular with the students but also received positive attention via social media. DBI/DSR
