

Checking Your Unofficial Transcript

If you want to see what the NCCC registrar has in the system for classes you have taken, do the following:

1. Log in to myNEOSHO.
2. Click on the myAcademics across the top.
3. On the left side of the screen, click on myTranscript.
4. Click on View Unofficial Transcript under myUnofficial Transcript!

This will help you know what courses you have left in case you need to look.

Should you have difficulty with logging into myNEOSHO, you need to contact webhelp@neosho.edu for assistance. Nursing cannot help you with this problem.
